Portfolio: [naomi12-chi.github.io/CodeAlpha_portfolio/-/](https://naomi12-chi.github.io/CodeAlpha_portfolio/)

Professional Summary

Front-End Developer skilled in building responsive and interactive web applications using HTML, CSS, JavaScript, and React. Experienced in developing user-focused interfaces, integrating REST APIs, and deploying projects using GitHub Pages. Strong foundation in responsive web development, DOM manipulation, asynchronous JavaScript, reusable components, debugging, and performance optimization. Passionate about building accessible, mobile-first web experiences while continuously expanding expertise in React and advanced JavaScript.

Technical Skills

Languages: HTML5, CSS3, JavaScript (ES6+)

Frameworks/Libraries: React.js

Tools: Git, GitHub, VS Code, Chrome DevTools

APIs: REST APIs, Fetch API, Axios, API Integration

Frontend: Responsive Web Development, Mobile-First Design, CSS Grid, Flexbox, DOM Manipulation, Cross-Browser Compatibility, Web Accessibility, Performance Optimization, Debugging, Reusable Components

Basic Knowledge: TypeScript, Node.js, JSON, Figma (UI Interpretation)

Deployment: GitHub Pages

Projects

Movie Finder Web App

Developed a responsive movie discovery web application using React and OMDb API integration. Implemented asynchronous data fetching, dynamic rendering, loading states, and error handling to improve user experience. Designed responsive layouts using CSS Grid and Flexbox for mobile and desktop compatibility.

Tech: React, JavaScript, CSS, REST API

Portfolio Website

Designed and developed a responsive personal portfolio showcasing projects, technical skills, and contact integration. Optimized accessibility, performance, and user experience while implementing reusable UI sections for scalability.

Tech: HTML, CSS, JavaScript

Progress Tracker Web App

Built a task management web application with CRUD functionality and local storage persistence. Implemented task filtering, DOM event handling, and intuitive UI interactions to improve usability.

Tech: JavaScript, HTML, CSS

Education

Bachelor of Arts (B.A) – Theatre Arts

Osun State University | Expected Graduation: 2028

Certifications

- Responsive Web Design – freeCodeCamp
- JavaScript Algorithms and Data Structures – freeCodeCamp
- Front-End Development Track – OTS ICT Learning Academy

Soft Skills

Problem Solving • Attention to Detail • Communication • Time Management • Team Collaboration

Additional Information

Continuous Learning: React, Advanced JavaScript (Async/Await, ES6+), API Integration

Technical Interests: UI Engineering, Frontend Performance, Web Accessibility
